This report has been amended to reflect the new treasurer Linda Buzinec. This amended report also reflects allocable expenditures that were not reflected accurately on the previous report due to importing malfunctions. The additional disbursements and receipts shown on the amended report are due to a miscommunication during the transition of Comptrollers. Specifically, how to properly import and disclose expenses that were paid on a split. Kimberly did not clearly understand that she had to take further steps after she imported the information into her FEC file software in order to properly show the non federal portion of the disbursements and the receipts paid by the non federal account. As soon as Kimberly was made aware of the omission she immediately corrected any reports that did not properly disclose allocable expenses. All reports going forward will correctly disclose allocable expenses. The additional disbursements and receipts did not adjust the Cash on Hand balance as it was the regular practice of the IDP to exactly match the non-federal portion of expenditures on a regular basis. 5/12/06 ltr - the catering expenses were for meetings none of these expenditures were made on behalf of a specifically identified candidate there were no funds collected at this meeting.
